### PHIL JOSEPH JOINS MSC TRUSTEES

MSC Group has welcomed trustee industry veteran Phil Joseph to its senior executive team. Phil has been appointed as an executive director of MSC Trustees and will assist with the business' expansion into Sydney.

Philip' has over 40 years' experience in the corporate trustee industry. Having worked for a total of 15 years at Perpetual, he also managed the establishment and rebuilding of multiple corporate trustee businesses such as Guardian Trust Australia and Australian Executor Trustees. Most recently he has served as an executive director of AMAL Trustees.

Philip's experience covers a wide range of trustee services and asset classes, including funds management, debt and securitisation.

Mr Joseph said *"I'm delighted to join MSC Trustees and assist with its advance into Sydney. The business is already well established in Victoria and is in an exciting growth phase. In addition to acting as a trustee for a diverse range of wholesale funds, MSC offers a wide range of services such as retail fund and note trusteeship, as well as fund administration and accounting services, which will help support clients. I've known a number of the staff for a long period of time, so I'm looking forward to working with them and sharing my experience."*

MSC Group Managing Director, Mr Matthew Fletcher, said: *"We are so delighted to welcome Phil Joseph to our team. Our trustee board and staff will benefit immensely from his vast experience across multiple decades in corporate trusteeship. Our expansion into Sydney is achieving real momentum following recent trustee appointments to high calibre clients such as Centuria, AXA and Spark Infrastructure. Our success in Melbourne was built on offering more commerciality and flexibility across a range of solution-based trustee and administration services for fund and capital managers. This approach has been well received in Sydney and we expect it to be our largest market by 2022 calendar-end."*
